# **Introduction**

Information for this book was obtained on the understanding that the beliefs of the Mullah-Sensees (magical healers and magicians) are to be used for good works towards mankind. These spells and signs must not be used for evil purposes as evil will undoubtedly backfire on the user if the necessary precautions have not been taken.

All the spells and signs are from the mountains of Afghanistan and the surrounding areas. All have been handed down from generation to generation, student to student. All are in their original form and have not been translated or altered by me so as to preserve the originality and power.

In writing this book I hope to provide an insight into the strength of the Afghan people as well as the practical aspects of Afghan and middle Asian magic.

Every spell contained in this book has worked for over 1400 years and will work for you if you follow the directions of the Mullah-Sensees.

**“ALLAH-O-AKBAR”**

## Love Spells

This is one of the main aspects of Afghan magic which involves men more than women. These spells can be performed by men or women but have traditionally been used by men as a means of procuring the love and adoration of four wives.

The following spells are very powerful in respect of love. They will win the love of the woman you desire, bring back any lost love, and keep the love of your wives true to you.

### To be Loved by Infidels

This spell is cast in Pushie, the language of northern Afghanistan and Uzbekistan. It concerns the love of a non-believer or a non-Muslim, but can be used effectively on anyone.

The sign is written in Arabic and Pushto, and is based on ancient Arabic/Egyptian systems of magic.

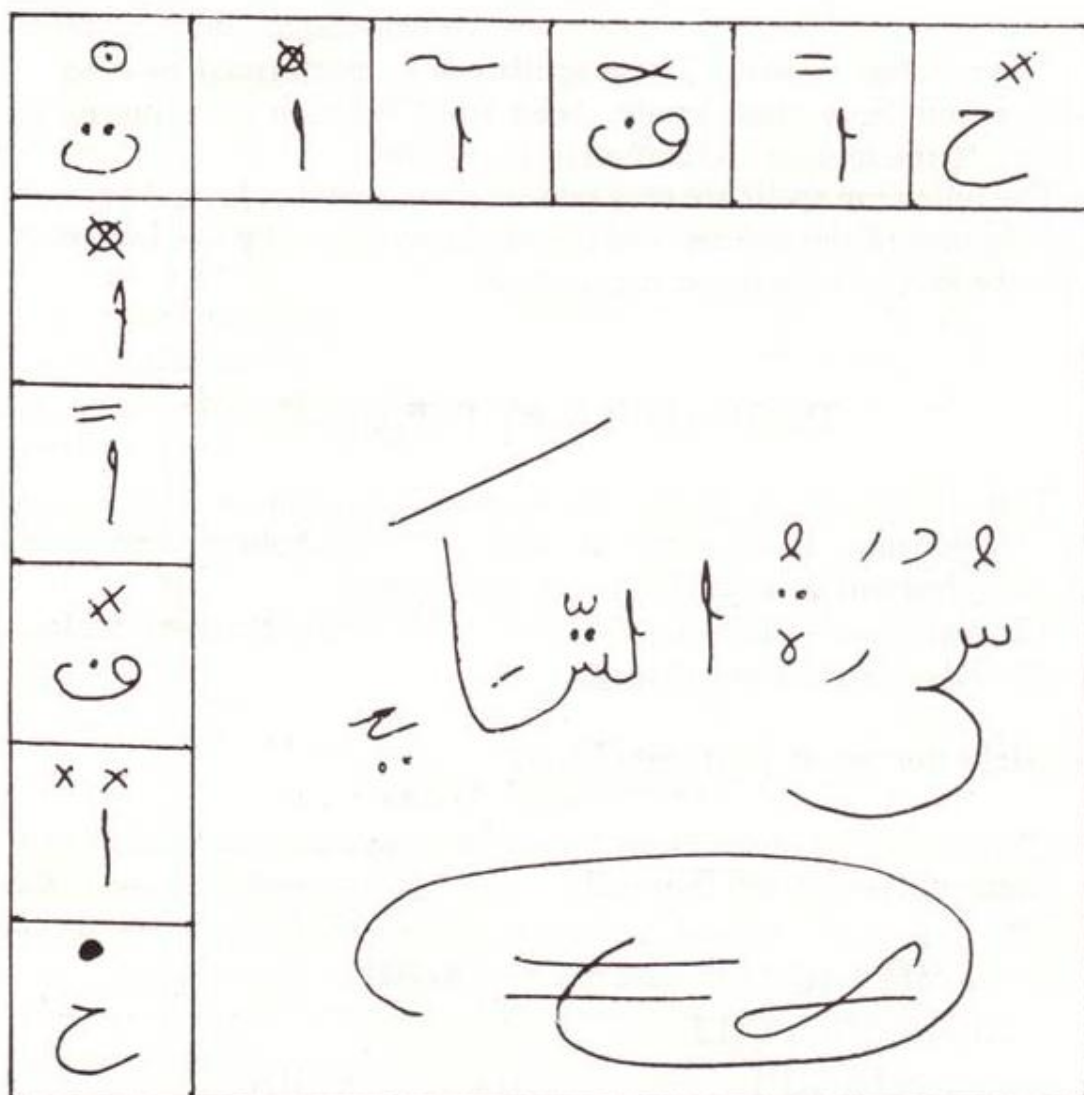

**(1) Hold the sign in your right hand.**

**(2) Without being observed look at the woman concerned and quietly murmur to yourself the spell:**

***BISMILLAH-IRRAHMAN-IRRAHIIM  
ALHAMD-O-LILLAH, IRRAHMAN  
TYA NAA BUDU WA AFGHANIST-AYIIN  
IHDINA SIRRAATAL MUSTAKEEM  
WALLAD DALLEEN  
NAY CUM CUMM NOON JAMM JTAMM  
JAZAM KAA-AFTAN..... (Name of woman or colour of her dress)  
HAA-ADOO AMEEN.***

Repeat the spell until you notice a change in the woman's stance. Then introduce yourself and she will respond more favourably than you ever imagined.

To be loved by infidels:

## **Concerning the Construction of Signs**

In the northern provinces of Afghanistan the signs are written on goat skin with blue ink made from a mixture of olive oil and lapis lazuli. In the south and Persia the signs are written in green ink made from Afghan emeralds.

With the advent of modern technology, most notably the ball point pen, more and more Mullah-Sensees are favouring the new methods of making signs. This is mainly due to the ease and availability with which they can be obtained. The new methods have not affected the power of the spells or the signs, and although the methods of making them has changed, the signs and spells are still the same now as they were 1400 years ago.

To make the signs all you need is an ordinary pen and paper and draw the sign that you require. It does not matter when or where you make the sign as the important part is the symbol of the sign itself.

## **To obtain the love of your four wives and keep them Faithful**

This spell is cast in Arabic and was first Introduced by Moslem traders from Arabia and Syria who also brought with them Islam, the pillar of Afghanistan.

Afghan medicine consists mainly of herbs and traditional Arabic medicine. Throughout all the Islamic world you can see the two forms of medical practice. The herbal medicine would require another ten books at least, but the Arabic medicine can be explained within these pages.

Here are a few non-magical remedies for ailments which affect every society.

**1) Constipation: press on the large intestine with firm and hard pressure and rotate your hand in a clockwise direction.**

**2) Diarrhoea: as above but rotate in an anticlockwise direction.**

**3) Common cold: relief can be obtained by rubbing down the inside of your arms.**

**4) Back pain: rub the palms of your hands together and place them onto your kidneys.**

**5) Eye problems: rub the palms of your hands together and place them on your eyelids for relief, gently rub the bone around the eye then place your palms back on your eye for further relief.**

## **Spells for Defeating Enemies**

A note of caution is required for the student. Do not use these spells in order to attack someone who has done you no harm.

It is possible to lay siege to a house or stronghold and completely demolish it, without causing any harm to yourself.

This next spell will cause confusion amongst your enemies who will constantly fight each other rather than you.

### **To cause confusion amongst your eneemies:**

Bury the sign in the garden of one of your enemies and say the spell:

***ALLAH-O-AKBAR***  
***ALLAH-O-AKBAR***  
***ALLAH-O-AKBAR***  
***ALHAMD-O-LILLAH RABIL AMIIN***  
***WUDU YA SLEM SALAAM***  
***SUBHAN ALLAH***  
***ALLAH-O-AKBAR***  
***ALLAH-O-AKBAR***  
***ALLAH-O-AKBAR***  
***AMEEN.***

When the above spell is used in conjunction with the following spell you will be setting in motion a spell which has never been used or mentioned outside Afghanistan. This spell contains in its history the whole essence of the freedom of the Afghan people. It is the one reason why we, the people of Afghanistan, have never been conquered despite the attempts of all the great empires, from Ghengis Khan to the British, in the late eighteenth century.

(1)

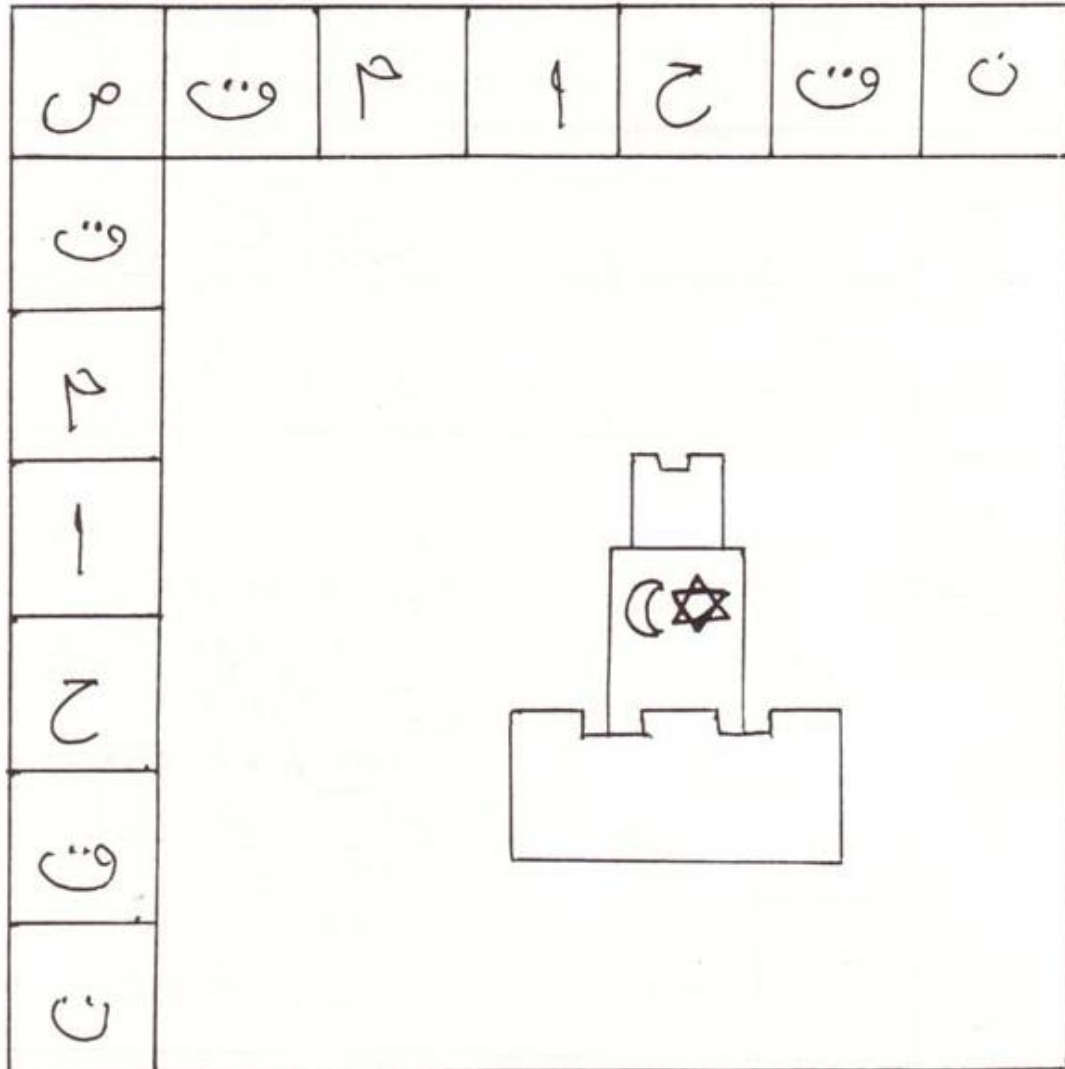

To cause confusion amongst your enemies:

ح	ا	ب	ا	ل	ش	ك
ا	ت	ي	ل	ه	م	ش
م	ر	ل	ه	ب	ق	ل
<p>سِرَّةٌ قُرْشِيَّةٌ كَائِ</p>						
ا	ل					
ب	ت					
ا	ت					
ح	ح					

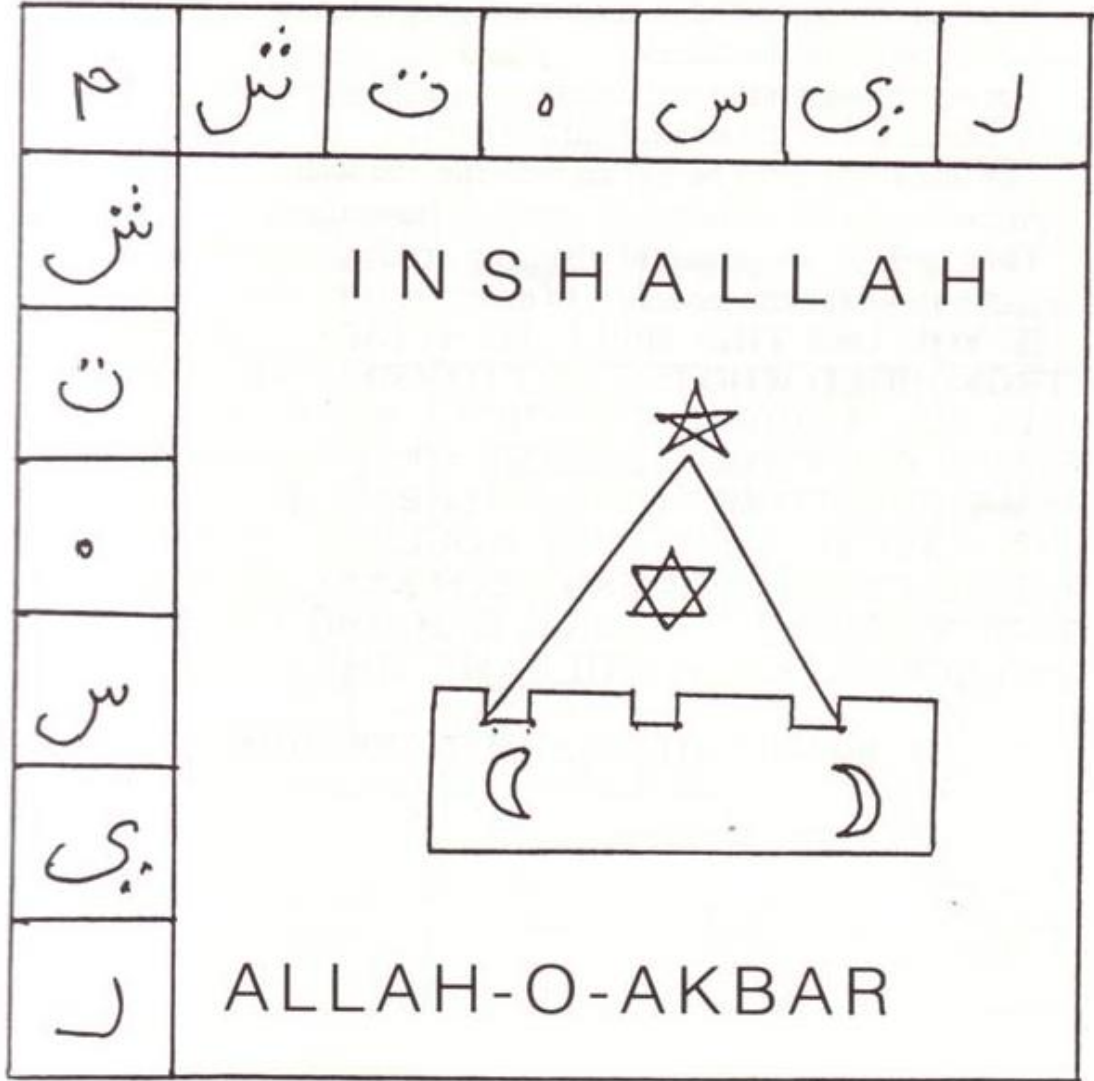

(2)

To cause the demolition of strongholds  
(Part one)

(3)

To cause the demolition of strongholds  
(Part two)

## **To lay siege to a stronghold and demolish it completely:**

This spell incorporates the previous three signs numbered 1/2/3. The first sign is buried in your enemy's garden or in land which is directly next to his dwelling.

The second sign must be buried near the stronghold and at the west wall. The closer to the stronghold the better.

The third sign must be buried near the east wall.

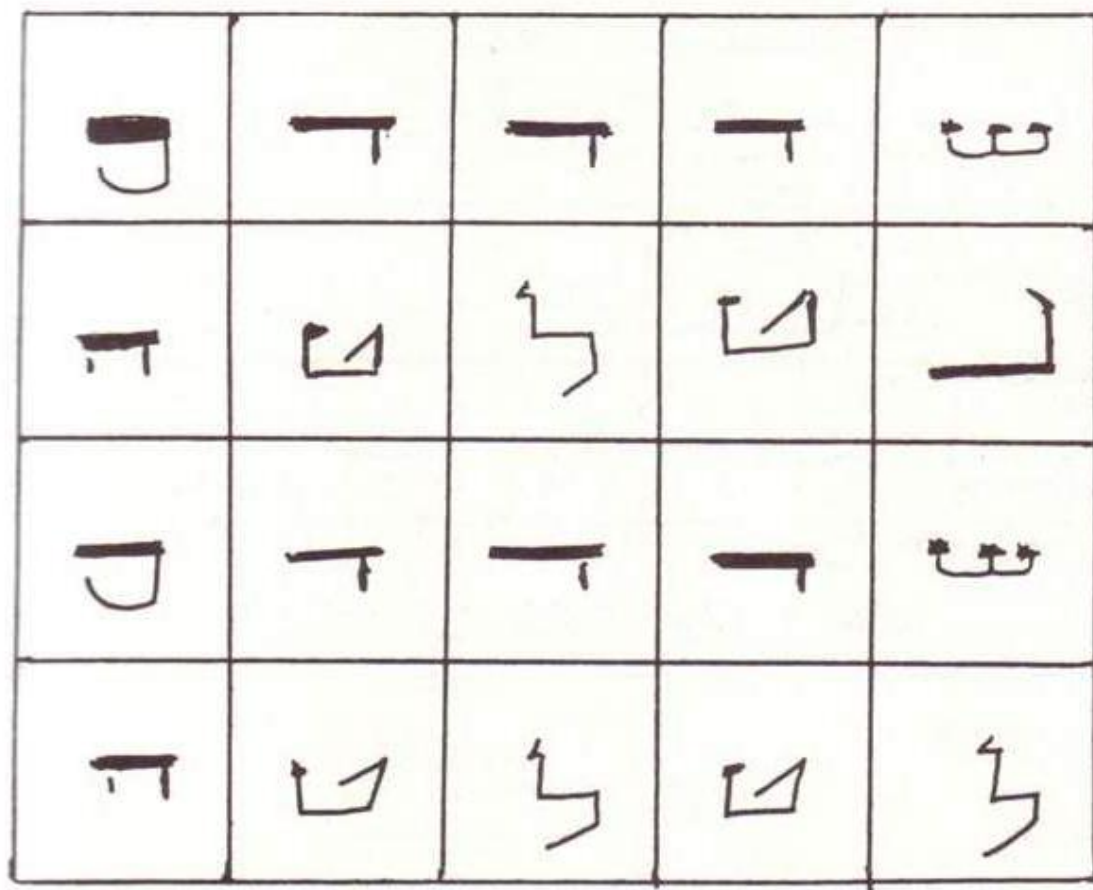

As you cover the signs repeat the spell three times.

This spell is so powerful that the student should think very carefully about the consequences of misusing it, for their own safety. If you use this spell to attack a person or stronghold who has not harmed you, am certain you would die within a week. The spirits would know you were the first aggressor and as such would repel the spell back to the person who cast it. your body would be demolished and you would die from internal injuries. The only way to stop death is to dig the signs up and burn them at the same time saying:

***BISMILLAH-IRRAHMAN-IRRAHIIM.***

**For protection in battle;  
also for good luck:**

Bind the sign to your head or tie to your left arm and you will be protected from injury. This sign is said to have been used by Solomon and is also used as a good luck sign.

## A Spell for Atracting Wealth and Good Fortune

Before making business decisions say the spell:
